PRESIDENTIAL RAMBLINGS

Hello All,

This months meeting is the A.G.M. so we need everyone to come along.

The meeting at David's place went very well last month, with almost all the bases covered for organising the Easter 2003 gathering. We will be sending information pascks and questionares to the other clubs to find out roughly how many people to expect and what they would like to see and do when they are here.

The video of some of the cars from the 1994 meeting was fascinating, I have never seen so many P76's in the one place before.

It was agreed by all present that the August meeting will be held on **FRIDAY the 9th** of August. This is so that one of our members from Cootamundra Michael Livingston can come and show us the great array of P76 memorabilia he has amassed. We also wish his wife Gwen a speedy recovery from her recient heart attacks and subsequent hospital treatment.

See you all on Monday.

Alex.

Business arising – Video of 1994 Easter meeting was watched, what a lot of P76's about in those days!
Various tasks were allocated for the Easter 2003 get together.

Treasurers Report – See attached .pdf file.

General Business – Follow up on tasks for Easter 2003.

David: Will contact Canberra tourism to obtain "what to do in Canberra" information packs to distribute to all the other clubs so they can decide what stuff they want to see when they come to town.

Geoff: Will take care of the manufacture of enamel lapel and grille badges and cloth patches.

Rick: Will find availability and pricing on merchandising, such as polo shirts and polar fleece jackets with 1973 –2003 P76 Logo's on them.

Paul: will find and document the locations of all the carwashes in town, in preparation of the Show n Shine.

Alex: Will send the information packs and questionnaires to the other clubs to find details of how many people to expect and what they want to see and do when they are here.
Will approach the Museum of Australia, Sound screen Australia and the Lakeside hotel (venue of the official launch of the P76) to see if they are interested in participating in the weekend.
Will organise reserving accommodation at a suitable location, Red Cedars or Fenner hall for example.

James Mentiplay from the W.A club has made us the very kind offer, which we have gladly taken the up on.....

Hi Alex, just read the e-mail you sent Andrew Kloot regarding next years Easter meeting. We ran the whole Easter Meet under our existing Public Liability insurance, which included the public displays and Motorkhana. If you guys do not have insurance and have trouble getting it for Easter let me know and we may be able to get our insurance to cover your meeting for the weekend.

If you are not able to get someone to do a magazine we would be happy to do a commemorative 30th Birthday edition similar to the Anything But Average edition we did this year. Your club would be able to sell it over the weekend and later on to the clubs such as we have done with our one.

Best Regards, James Mentiplay

On a sour note I personally have come under attack from some quarters regarding the lack of preparation for the Easter 2003 meeting. A member of the S.A club sent me the following enquiry....

Andrew,

Painfully slowly I'm afraid. No body wants to volunteer for anything. We are having a meeting an one of our longstanding members houses next week to view a video of the last meeting held in Canberra in about 1994 hopefully this will motivate a few people.

Our major concerns are with any events to be held in public places and our public liability insurance requirements.

Are you aware if the W.A. club had any problems in that matter?

Alex

This was forwarded to various people, to which an illiterate one replied....

Hi andrew, I see your point about the difficulty in having a national P76 club ,and this public **laiability** insurance thing is getting way out of hand, i have great shots of out motorkhana on a **priveate** car park in Perth which caused no problems.

It looks like mr **shoebridge** self nominated **imself** to run the event , and now no one is too lazy to actually do **anthing** about it!!!

On a nicer note i recd your goods late last week the press panels look good and Kerry Quinn was impressed.

Cheers Nick
