## Editorial

Hi, Happy New Year to all our membership and your families, I hope you all had an enjoyable and safe time over the holidays.

Well the National meeting will be on in next to no time and I would like to remind you all that we do not have a general meeting in March and there will be no newsletter issued, however we should have a giant newsletter in April with all the National news and the highlights of the meeting.

Sue and myself are intending to go on the Berrima rally run on 13th & 14th February and at this stage we may not be able to attend the wing over Illawarra show on the 28th February 2010, due to our National meeting commitments. (trying very hard to finish off restoration of two cars). This is a great air show and a top outing and I urge all members to go along if possible.

The Christmas party night at the clubrooms was great and attendance was high. The photo competition went off very well, the peoples choice for the best photos went to Ian and Bev Lyons, they won a prize for their effort. We will organise another night like this in the future. Many thanks must go to all of our members who brought along a great assortment of food and thanks to my sister Shirley for spending much time on the Wednesday afternoon decorating the hall.

I would like to request to our members if they are able to donate any items that may be used as either a raffle prize or entrant prize at the National Meeting.

Well that it for now and I hope to see many of our members at Motto Farm, Easter 2010. Have a great time and safe driving to you all.

Joe Green
