# Editorial

At our previous General Meeting in our club rooms the guest speaker, David Snape, representative for the N.R.M.A. Veteran & Vintage Classic Insurance gave us all a talk about the benefits of N.R.M.A. Insurance for our Classic Cars. It was very interesting and informative. If you did not attend that meeting and require any information feel free to phone David on either 0411 011 205 or 9292 9409 and I am sure it will be of benefit to you.

The Chevalier Highlands Motor Fest was a great outing, more details further on in this newsletter.

A reminder for our Xmas Party night on 19 December 2012. Please come along and socialise with your friends and bring a plate of food and a gift for our usual free raffle. Also we have some tickets on sale from the Council of Motor Clubs to assist Prostate Cancer Research and the prize is a s1963 AP5 Chrysler Valiant. 2Nd prize is a \$500 fuel voucher. ## MOTORFEST 2012

We were lucky with another fine and sunny day on Sunday 28th October. Sue and myself left at about 8.30am and decided to go via the Heathcote Road and then the M5 for a change; we normally go to the Southern Highlands via Appin, Broughton Pass and Wilton, however this way is more straight forward – not an interesting drive with no winding roads or hairpins, and it seemed to take much longer and also we saw a few police patrols along the way.

We arrived at the venue at about 10am and the grounds were overflowing with Classic and Vintage cars. This event is becoming larger and larger every year. We met Ray Selby at the gate and as usual he had been working very hard organising the show cars. His Club the Southern Highlands Morris Minor Club was organising this event.

After setting the Force 7 up (we were beside a very nice G.T. Falcon) we met up with Ken Halstead who had brought along his Immaculate Silver Bullet P76. We also met up with a guy from the A.C.T. who was parked near us in a very rare and immaculate 1954 Armstrong Siddley has owned the car for the past 20 years and it is in outstanding original condition.

We then wandered around looking at the great display of all makes of cars. The Berrima District Old Machinery had a great display, the entertainment for families and their kids was tops, dodgem cars, merry-go-rounds, wood chopping, silent auctions, trash and treasure markets, many stalls selling coffee, ice cream, country style scones, cakes, etc. Also many interesting trade stalls.

During the course of the day we met a chap who was very interested in the Force 7 and he told us he was an ex-Leyland employee and he had the use of the Leyland P76 station wagon for quite some time. It was great to talk to him about his time with the Leyland company.

We met up later with Ross Rickard and his family and then at about 3.30 we decided to head for home, this time our usual way via Wilton and Appin after an enjoyable day.
