# PRESIDENT'S REPORT

Happy Christmas Everyone!

May 2014 bring health, happiness and some wealth to all our members. Hopefully we can catch up at the Christmas party on Wednesday 18th December. Please come and join us and bring a plate of food and a small gift to raffle. The summer brings lots of sport to watch on TV - hope we continue our winning streak in the cricket - The Ashes return to Australia would be fantastic! Whilst you are being an 'armchair critic' and 'sporting legend' don't forget to check that your car is good to go over the summer. Repco has fuel stabiliser - STA-BIL with a 25% discount for NRMA members.

Future event - a January Run Weekend to Nowra and surrounding Districts -17 - 20 Jan -please call Troy to see what's happening.

We will plan more events during the year.

The Berrima Rally happening 8th & 9th Feb - if you are interested check it out with Troy but remember registrations close 1st Feb. So hurry up and register for a really relaxed and interesting weekend!

Next meeting will be in February as usual .  
Hope Santa drops down your chimney with lots of goodies!

# PLEASE NOTE

This is our last Magazine for 2013 & there will be no magazine until February 2014.

At our Xmas meeting we are hoping to have a short video about a road test of a P76 with Geoff Watson & the host presenter was Clive Robertson & this will be shown on a TV screen.

Xmas Party night- could all members please bring along a plate of food and also a small gift (about \$10) for our free raffle. This would be much appreciated.

## WELCOME TO NEW MEMBERS

Chris Grace & John Daley we hope you both have an enjoyable time in our club.

## PARTS NEWS

Great news James Mentaplay has organized the rear Number-Plate Lens Covers to be produced. These lenses are vastly superior to the previous lenses that have been remanufactured in the past, with these lenses being made out of poly carbonate. The poly carbonate James has chosen is UV resistant, which means they will not suffer from the discolouration that both the reproduced lenses and the genuine Leyland lenses suffer from. They will also be much stronger, which will mean less chance of cracking and breaking.

The lenses that are being made will also be painted with the silver section around the outside of the lens as per the original Leyland spec lens, this means they are supplied ready to install.

Members keep in mind if you don't need a pair now you may in the near future, so you should order now as sometimes you never know if we will have them made again, seize the opportunity & grab a set or 2 while you can. If you order through the club the price will be \$45.00 per set. + postage.

I think even if you don't need a set it's great to support people that go to the effort to take on a project & remanufacture a part for our cars, as we are not Holden or Ford & you can't go to Rare Spare & pick one up off the shelf. Well done James. If you would like a set contact Troy 0409 -988 - 757 order asap as we have a deadline.
