# Editorial

Another year and once again heaps of great events and outings ahead but firstly I would like to wish you all a safe, happy and healthy New Year and I trust all of our members had a great holiday over the festive season.

Our Xmas night at the club rooms was another good night, many members attending and it was great to be able to have a relaxing night.

The club year began with events at the Australia Day Carnivale in Sydney and also Berrima, and Camden. Some of our members attended the Sydney event and also the Berrima parade and I have been informed that all of these events were very successful and also the weather was great.

This is a big year for our Leyland P76s as it is the anniversary of the launch of the P76 in Canberra. Details about this have now been formalised and information will be in this newsletter or the next one. The date for this event is 29th and 30th June 2013.

The Berrima rally this year at Bong Bong Racecourse will be over when you receive this newsletter and a write up about it will be featured in next months newsletter. Hope to see you all at our next meeting.

# AUSTRALIA DAY

Well we were very lucky to have had such a bright and sunny day for Australia Day. Sue and I decided to go to Berrima for the Australia Day celebrations.

When we arrived at about 9.30am there was already a huge number of Veteran, Vintage and Classic cars set up in a grassed area adjacent to the historic buildings.

Berrima is a most beautiful township and the cars looked great amongst so many historic buildings. The host club had organised many trade stalls, entertainment for kids, many displays, memorabilia, food and refreshments, stationary engines, displays of all types of emergency vehicles and many charities were represented.

At about 12pm a Grand Street Parade for the Australia Day celebrations began. It was lead off by an impressive group of Light Horse Brigade soldiers each carrying the Australian flag and groomed to perfection – they looked great. Then followed by a fantastic 1902 Renault driven by Bill Betts, and his grandchildren were passengers. Then came the Veteran and Vintage tow trucks, army vehicles, Rural Fire Service, Country Womens Association, then so many Classic cars: Fords, Fairlanes, Falcons, Customlines, Morris Minors, Holdens, Toranas, MGs, Rovers, Mini Minors, GT Falcons, Chevs, Buicks and many others, including very old tractors. The parade went off in great style.

We then met up with some of the members of the other clubs and chatted for some time, spent some time viewing the trade stalls and displays, art and craft stalls and headed off home at about 3.30pm after a much enjoyable Australia Day 2013.
