# Editorial

I hope that all of our members and their families had a great Easter. The weather was terrific and I trust you all had a good holiday.

Our next major outing is the 40th Anniversary of the Leyland P76 in the ACT which should be a fantastic event. I have been told that the registrations have been very high. There is a large group of West Australians, New Zealanders and a couple of Tasmanians booked in.

Long time member Ron Frith has donated a bundle of second hand spare parts to the Club – many thanks to Ron.

The Railway Heritage Show & Shine was held recently and was another successful day. The number of entrants are increasing every year.

At our last Club General Meeting night we organised a surprise birthday party *P76 cake* for Peter O'Brien – he really was shocked and it went off well.

That's all for now, see you all at our next meeting.

Joe Green

## PLEASE NOTE

Your car club annual fees are due on 30 June 2013. the cost has not increased for many years so it would be appreciated if you could pay promptly.

## THANKS TO

**Ron Frith** for donating a heap of second hand spare parts to the Club.  
Kevin Ward and Troy for picking up parts from Ron.

# ROBERTSON SHOW 2013

Another great weekend with the Mixed Car Show & Shine. We arrived at the venue at about 10am and it was very hard to obtain a good parking spot. This event is becoming more popular year by year and could outgrow the space that is provided.

The Heritage Society provided free train rides to Moss Vale and back and also donated trophies for the Show & Shine. Activities included a fete at the church hall that is nearby which has so many art and craft stalls, bric a brac, books, fruit and vegetables and the great Robertson potatoes (we bought a bag), and many trade stalls.

The cars on display ranged from very early 1902 models to the classics of today. Ray Selby was there as usual with his great Morris Minor panel van; it looked terrific. The Police Department had a great display of new and old police pursuit vehicles and equipment, including radar devices and a great Charger and a Falcon. We chatted to some the police officers and they were most interested in the cars on display.

You would not believe that during the course of the day I met up with a guy I thought I knew. We got chatting and discovered that we went to school together at Kogarah High School many years ago. It was great to reminisce about old times.

After a great day we headed off home at about 4pm.
