# PRESIDENT'S REPORT

Well the Silly Season is well and truly behind us now, hopefully everyone had a relaxing holiday time.

Troy and Ken, Joe and Sue, Ross and young Aiden, Pauline and I attended the 39th "Berrima Rally" on 8th and 9th of February. As usual an excellent weekend with approximately 100 cars on show. Included in the program was a drive to Mittagong country side to visit the property of Andrew Lidden a car and bike enthusiast. His collection is extensive and varied. Vehicles range from the easily obtainable to the extremely rare. This is no ordinary collection it is a gold mine!

There were four P76, 7 or 8 Rolls Royce , Rovers, V12 Jags, Bentleys, Hummers, Packards, a Lotus V8, Aston Martins, Ferraris , V12XJS twin turbo 7 litre jags, a Ford 500 Special Ute, an R/T Dodge Charger and a Marcos racing sports car! This is the tip of the ice berg!

Over the years those cars and bikes that require restoring are being tended to, other vehicles are in wonderful exhibition state and some vehicles are being used to provide restoration parts. The property is enormous as are the 'barns' used to house the in excess of 700 motor cars and at least 400 motorcycles. It was well worth the visit and we appreciate Mr Lidden's kind invitation.

The Berrima District Historic Vehicle Club always host a good weekend and special mention must be made of the delicious morning teas that are always provided - everything is homemade Yum!

There will be more Car Club events organised in the near future (don't forget the Easter National Meeting in SA) so stay tuned.

Have a safe driving month!

Special wishes go to Troy and Julie who are due to begin the wonderful journey of family life in the next few weeks. All the best!

Peter

## THANKS TO

# DID YOU KNOW...

At 7:32pm on Sunday 12<sup>th</sup> January 2014 in the Australia versus England test, Australia were no wickets for 76 Fact!!

A friend of Rick's who was a spectator at the 40<sup>th</sup> Anniversary meeting in the ACT counted the cars on display and totalled 76 Fact!!

In a recent magazine it was claimed that 76 was the percentage of online shoppers will make an impulse buy if they think they are getting a bargain.

Thanks to Rick Hopkins for the above information

# 2014 Berrima Rally

Another great Berrima Rally was had by all, it was a top weekend as usual. Sue and I took the station wagon and Troy took his peel me a grape P76.

We arrived at the venue, The Mittagong Public School at about 9:30am and soon after Peter and Pauline O'Brien, Ross Rickard and his son Aiden, Ken Halstead and Rick Hopkins turned up.

The mix of cars was excellent and this includes some commercial vehicles. The host club provided us with a very nice morning tea.

After lunch we booked into our motel and then we went with the host club to visit a shed full of interesting old vehicles, (more details about the shed later on). After a great afternoon of viewing so many unique cars we then went back to the motel to get tidied up to get ready for the dinner dance at the RSL Club.

The smorgasbord dinner and entertainment was fantastic. The band "STYLE" was exceptional, Rusty and Graham are great performers and their rock and roll music was appreciated by all. The theme for the night was come dressed up as "International Style" and the costumes were great.

On the Sunday morning we were up early and had a quick breakfast at Maccas, it adjoins the motel. We then went on a nice run to Fitzroy Falls and morning tea was again provided by the host club.

We then returned to the RSL and headed for home. After a great weekend even though the weather was extremely hot. Many thanks must go to the Berrima Club for organising a great weekend.

## SATURDAY DISPLAY

# A Collectors Dream

After lunch on Saturday we left Mittagong to visit the "SHED" I was expecting to view about 20 to 50 good old cars. Well I was way out it was very hard for me to covey the enormous and magnificent collection of vintage, veteran, classic and modern cars that were on display.

The property was very large, several hundred acres and the original home on the property has been restored to its historic origin.

The cars were mostly housed in what I would call aeroplane hangars, massive slabs of concrete floors, metal buildings with a ceiling height of about 50 feet and the total number of cars would be 800 to 1000 and the owner has rows and rows of all different models. A row of about 20 E type Jags, a row of about 20 3.4 and 3.8 Jags, also Mercedes, old Fords, Chevs, Falcons, Rovers, Hummers, Hilmans, Vauxalls, Chargers and unbelievable number of Range Rovers from way back to modern ones. Maseraties and yes you guessed it he even had Leyland P76's. I could say if you named a car he would most probably have it in his collection, he is an eccentric collector.

The owner also has an extensive range of motor bikes and push bikes, trucks and tractors and a great old speed boat that came from USA New York, it looks like one you would see in a murder mystery. Again the number of bikes on display and packed away is unbelievable.

At the top section of the property he has just built a new "BARN" I guess it could have cost about \$750,000.00 + and this is built of full sand stock bricks and is a 2 storey building with a timber lined ceiling with concealed electricity and all of the cars and bikes in this barn are the ones he is using at the moment and he has a great set up for keeping the batteries charges up.

However I could go on and on, we met the owner and he is a very nice guy and it was most gracious of him to allow our large group to walk through all of his shed and barns at our leisure.

On conclusion I must say that I have watched a lot of great car shows on Foxtel and have never seen a collection as large as this and presented so well.

Many thanks to the owner and the Berrima club for organising this magnificent tour.
