President's Report

Hi everyone

I was saddened by the news of the untimely death of Joe Torony. Joe was inspirational in the early days of our Car Club. He was actually the founding member of the NSW P76 Car Club. I knew Joe through TAFE and was surprised to catch up with him again at Parramatta Park on the first P76 get together. That would be about 30 years ago or more.

Joe encouraged the club's formation and development. He was a passionate P76 owner who was keen to ensure that our cars were kept mechanically safe and sound. He was instrumental in sourcing out parts and making modifications to suit P76s. He believed in sharing his wealth of knowledge and giving help and advice to anyone who asked for it.

Joe will be sadly missed by our Car Club Community, our thoughts go out to his family.

As a club outing we are considering a car run down south of Sydney towards Wollongong in the next few months. The plan is to meet with members of the Classic Car Club Illawarra at a half way point - have a picnic lunch stop and chat, and then travel on via some scenic spots to return home.

The two clubs will contact each other to plan the route and we will have the information for you at the next meeting & magazine. See you Wednesday night.

VALE JOE TORONY

It is with much sadness I would like to inform our members of the passing of Joe Torony. Recently he had a fall in his home fracturing his skull. He passed away a few weeks later in intensive care.

Joe will always be remembered for the foundation President of the Owners Club. He was a very dedicated person who loved the P76 and was always a great ambassador for the Leyland P76 movement. He was born in Hungary and arrived in Australia with his family at an early age. He became a tool maker by trade and finished his working life at Granville TAFE as a teacher.

Sue and I first met Joe in the early eighties when we joined the club. He welcomed us and our family in good spirit. He helped and encouraged me to build a P76 and compete in the sporting car events. I appreciated his help and knowledge very much and was able to compete at all events (silverdale hill climb, Oran Park, Amaroo Dirt Circuit etc).

We will never forget his P76 named BUDGIE of which he raced successfully for many years and also for the Torony style extractors that he designed and built.

Rest In Peace Joe you will be missed by us all in the P76 movement.
