# Vice President's Report

Our President P.O.B is away on Holidays with his family, so I am pleased to give our members a report on his behalf.

Well I hope that all of our members & their families had a great Christmas & a Happy safe New Year.

I hope that none of our country members have been in the areas of the devastating Bushfires that have been raging throughout N.S.W.

Our next event will be to visit the Gosford Car Museum on Sunday the 12th March. Many thanks to Hal Moloney for organising this event. I have been told that it's the largest car museum in Australia, so this event is a must!!!

Some good news the R.M.S has now approved the Modified vehicles at long last.

The cost are similar to the standard Historic rego.

The Christmas party was a great night thanks to all those who came along.

Hope to see you all at the next meeting

Kevin Ward

# Hunter Valley News

## Editorial:

Another very interesting couple of months with a trip to the Car museum in Quirindi which is basically a Holden – Peter Brock museum. Have added a photo from the museum with the only non Holden there, yes a Vanguard. A call from Tim Bentley from Saratoga who was looking for a P76 was directed by me to Dennis Trigg as we both were aware of an Aspen Targa for sale in Toronto. Tim is the proud new owner. There seems to be a renewed interest in the P76 with more cars for sale being unearthed.

## New Zealand:

Checking some old documents I found a letter informing me of who the New Zealand Motor Company records were passed onto. Rob Jones was able to chase up the information but did not find the records unfortunately.

## Hunter Members:

Craig Anderson now has his Crystal White Executive on the road with a new set of mag wheels. Craig also has a nicely restored Falcon Panel Van and a Triumph TR7 restoration to keep him busy. Two more cars from the Hunter will be going on club plates shortly to allow members to make better use of their P76's

Part of the body mark up sheets for the Station Wagon tested in Queensland and central NSW. Following this Mark Up this wagon (524) was crushed. Joe Green's Wagon is (525). Do members remember the NT Club run by Barry Levarde.

Does the number 76 stand out for members, while in Quirind I noticed that the Commercial Bank opened in 1876 and stayed open for 76 years. What are members recollections of 76
