I would like to thank all of our members who purchased a copy of Susanne's story I have received many phone calls from members who have read the book & it has all been very positive. Joe Green

Hunter Valley News

Editorial:

The Hunter members have been fairly quiet except for Faye and I heading up to Spring Ridge in the P76 to assist with organising a Starlight Rally to be run on July 15th.

Noel Delforce ran his Mobil 1 Commodore in the Shitbox rally. I also sold our manual EL Falcon wagon that had been the family car for 20 years and then see it was also run in the some Rally. The crew did more damage to the Falcon in 2 weeks than I did in 20 years.

I navigated for Chris Hal from Riverwood Downs in his LHD Peugeot 504 two weeks ago, to a class win in the Des West Memorial Rally run by the AHRG.

Hunter Classic P76 Members:

It was sad to have lost my brother two weeks ago as he navigated for me in the P76 and at one time had a V8 4 speed Super

Club member Cyril Croker also stirs up the dust in competitive events in his buggy and not in his immaculate P76.

Note: I will be having a Bar B Que and opening up my P76 library to any that wish to attend from midday on Saturday August 19th.

All my factory documents and photos will be on display

From the archives:

This drawing of a P76 MK II proposal was done by Michael Avenhouse who drew many great P76 drawings. Unfortunately Michael left us at a very young age.

Hi Everyone, Some interesting information you might INTEREST YOU.

The RON (research Octane Number) quoted on fuel's is the fuel's ability to withstand compression without self ignition. The higher the RON the more compression required to self ignite. Diesel for example has a low RON because it needs to ignite without the assistance of an ignition system. Lower Octane rated fuels can cause run on and/or engine knock (pinging) in higher compression engine failure. The side effects of higher octane fuel's in lower compression engines is increased combustion temperatures, not very acceptable for air cooled motors.

Hope this is helpful to you.

Gosford Car Museum

Gosford Car Museum Was a great day a fantastic Display of rare & interesting cars there was plenty to look at & it would be easy to spend a day looking at these fine vehicles.

we caught up with some of the Hunter Valley P76 Club which was great.

If you are ever in Gosford with some time to spare it's a must see or plan a day trip & you wont be disappointed. There were two P76's Targa's one inside & one in the outdoor undercover area. The museum is an old Bunnings buliding converted into the largest private Car Collection in Australia.

Thanks to everyone that came along

2018 Leyland P76 Nationals Wodonga

2018 National Meet

Planning for the Nationals is well under way with the venue already taking bookings, a traditional fish & chip meal for Good Friday, a wholesome pub meal for Saturday night, and a 3 course Presentation Dinner at the hotel next to the accommodation venue – those staying there will be able to walk there and stagger back – not that I'm condoning the excessive intake of alcohol!

There will be plenty to keep you occupied during the daylight hours with numerous scenic drives you can take at your own leisure, a planned 'all cars' cruise with a mystery destination or visiting some of the many attractions this part of Victoria has to offer. There will be a trip to a world class winery and the option of a motorsport event (subject to sufficient interest), an 'observation run' will also be held.

We have finalised the rules for the rocker cover races and you will find those in this issue of the magazine.

A huge thanks to Drew Griffith for volunteering his time and expertise to build the track and create the flyer and rules – well done Drew.

Also in this issue, you will find pricing and room types for the Nationals home base at The Blazing Stump, as you'll see there is quite a variety on offer and they are pet friendly, you can bring your four-legged friend. Although the Blazing Stump is the home base for the Nationals there are many other accommodation options available within a 10km radius some of which are:

Motel Wellington Wodonga PH: (02) 6024 3044
Murray Valley Motor Inn PH: (02) 6024 1422
Best Western Stage Coach Motel PH: (02) 6024 2400

Please find below/following registration form for the Nationals.

We are also seeking input from members across the nation and those over the ditch to submit designs for a logo. These can be sent to P76nationals2018@gmail.com for consideration by the Committee.

The Albury Wodonga area has many churches (not as many as Adelaide though) so there should be one open in your chosen denomination for Easter Sunday Morning Services. A list will be provided closer to the event.

In the last magazine, it was mentioned that there were Murray River Cruises, this all depends on river levels at the time and they may not be operating. There is also the possibility of Hume Dam boat tours, which can hold about a dozen people.

Scott Reynolds
2018 Nationals Committee.
