President's Report

Hi Everyone

We are in the middle of winter, hope you are keeping warm!

Just a few dates to remember

Shannon's Eastern Creek Classic Car CMC Show

Sunday 18th August from 9am until 4pm

will be soon upon us- hope you have your tickets sorted if you are displaying your vehicle -as the show is booked out!

If your car is not on display - everyone is welcome to go and admire.

This event is known as one of the leading car shows in Australia with more than 100 Car Clubs participating. There are also lots of family fun things to do - eg : Vintage Bus Rides around the circuit.

Please investigate and enjoy!

The next event is the:

All British Day

Sunday 15 September

Everyone is invited to

The Kings School

87-129 Pennant Hills Rd

North Parramatta

It's a fabulous family and car enthusiast day

Please check out these events as they are really interesting

If anyone is interested in going on a car club run - we can discuss the venue- please contact Troy Green on his mobile - 0409988757.

Just a reminder- check your cars out - I started up the Country Cream after she had a short rest and the heater hose burst, leaking coolant into the footwell - so very wet carpets

Let's continue to Keep Our P 76s running and enjoy them.

Cheers

Peter

Notes from the Hunter Valley

General notes:

Known to most motor racing fans would be Formula one driver, Mark Webber. Mark's family purchased Bridge Motors in the main St of Queanbeyan in 1955 that became a Leyland Dealership.

Looking into the history of Hyundai Cars was a surprise as the first Hyundai cars were built by engineers from Ford Australia in 1967. They were on loan to the Hyundai Motor Company. Their mission was to help the Koreans to get their licence built version of the Ford Cortina into production.

A project that I have been involved in for many years was the building of a car Museum in Oberon near the Historic Rail Museum. Our Skoda – Tatra Museum opened to the public last month. One interesting car on display is a Tatra 603 with an air cooled rear engine V8.

Chris Mack's Tatra now on display in Oberon

Turning the clock back to 1997 and to the NBN Channel 3 Telethon which involved our P76 Car Club. TV announcer and Rally driver Murray Finlay told me of the issues with moving celebrities on and off the stage at NBN. Some were left stranded last year when their taxi's did not arrive on time. As many had to be picked up from airports, rail and bus stations we decided that our P76 Club could handle the movements. We parked our P76 cars under the TV station in their underground car park and in the week prior the TV station would call my secretary at Boral and give her all early arrivals so that a P76 could pick them up and take them to the nominated Hotel and then be at their call to move them to the TV station and return.

P76 Drivers and cars 1997 Telethon

All cars were fitted with mobile phones.

These are some of the stars we moved about, Grace Knight, Belinda Green, Dinah Lee, Sandy Scott, Tania Kernaghan.

Jackie Love & David Pritchard were picked up by Hal Moloney in King Edward Parks Carols by Candlelight and taken to NBN TV.

Ian Turpie was also on my list and asked if I could give him a run up the Newcastle Hillclimb Course as I was in the P76 Rally car, he enjoyed the run and revealed that he was a sports car collector.

Also taken to her Motel was the late Esme Watson (Joyce Jacobs) and also Lorrae Desmond

who is married to Dr Alex Gorshenin who drove a 280SL Mercedes in the 1968 London Sydney Rally.

RADIATOR FILTER

This is a In-Line Radiator filter it's a good thing to have especially if you have had the radiator re-conditioned or flushed also think about a new radiator cap & hi flow thermostat.

This was ordered through Bursons Auto Spares & cost about \$75-80

There are 2 filter screens supplied a fine & coarse one this is the fine one you can see that it works & prevents the rubbish before entering the radiator
