PRESIDENT'S REPORT

March – June 2016

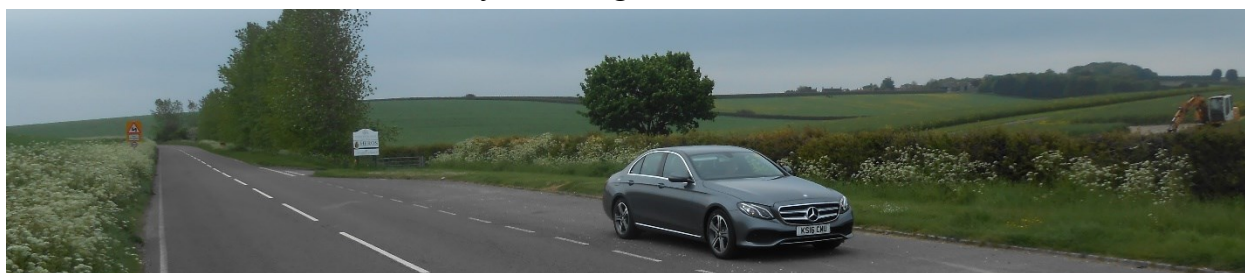

Paul Patten

It has been a relatively quiet time for club events of late, with the National Motoring Heritage Day being the last organised day that we attended as a club. It was a good day which we enjoyed thoroughly, particularly having the opportunity to go through the museum.

It was interesting to talk with other clubs at this event, many of whom are experiencing a drop off in attendances at this and similar days. It would seem that the new log book trial has not only provided a greater ability for members of all clubs to take their cars out, which is fantastic, it has also meant that members no longer have to wait for club outings to do that. I don't know if this will become a new challenge for our club but irrespective of this, it highlights the need for everyone to contribute your ideas on what we should be doing as a club, because we want to be doing what people want to do and make our events as relevant and interesting for as many as possible.

It's been quite some time since I've put a report together for the magazine, hopefully the coming elections may provide some light at the end of the tunnel in our quest to find someone willing to become our editor. More generally on the topic of the magazine, I have some ideas about changing it and making it more relevant. In essence, if we look at what is happening in the world around us, it becomes obvious that many/most publications like our beloved newsletter are all gradually migrating their way to a digital format. Not only are they becoming digitised, but they are also shorter and published more quickly after meetings and events. The reason this is happening of course is that everyone needs current, relevant information on events and activities, which is more difficult to do via a printed magazine. In fact, unless our magazine can compete with what appears on social media, then it stands to become irrelevant. I have tabled this for discussion at our next committee meeting but any thoughts you have would be most welcome.

On a more social theme, it's good to be back home after our May/June trip to the UK. We didn't do a lot of car stuff while we were over there but I managed to fit in a visit to Donnington Park which is an amazing place. We had an interesting hire car experience due to Hertz stuffing us around, we found ourselves in a 220d Merc which had a total of 9 miles on the clock. Have to say that it was nice and would have stood out from the crowd in Australia, but there are so many cars of that ilk in England that nobody looked sideways at it. As you would expect it drove well and the turbo 3 litre diesel was very responsive, although the 8 speed transmission helped a bit. The only slight hiccup we had was when we first got in the car, it was a push button start of course but it didn't have a gear stick or handbrake lever either. It took about 10 minutes to locate everything and get it moving. I have to say it was nearly as nice to drive as a P. We also spent a day at the Chelsea Flower Show which was truly amazing.

EDITOR'S REPORT

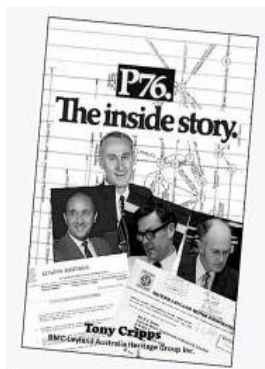

Looking to contribute more in the club ??????

We currently have a position Vacant as Editor of our great magazine .

With lots of support from our committee and members and a great topic to write about, so don't wait or you may miss out

National Motoring Heritage Day 2016

On Sunday 15th May 2016 many of our members gathered at the Museum of Fire, Penrith to celebrate National Motoring Heritage Day.

Mark White and his team at the Museum of Fire, in conjunction with the Chrysler Restorers Club, welcomed everyone and we were given free entry to the Museum, along with free sausage sizzle, soft drinks etc.

It was great to see so many of our own Club there with their young families. We need to foster the younger generation, so that the future of the Classic Car Movement is not lost into the nevernever!!

SOME CLUB STUFF.....

It's time for us to place another **Shirt Order** – same as the blue chambray shirts we ordered last year for the 2015 Nationals (see pic below). If you would like to order a shirt, please email me your size and whether you require long or short sleeves. We will confirm price but should be same as last year \$42.00. Note that shirt sizing is a “full cut” so large sizing!!!

We will also be ordering more **Club Badges**, so if you don't have the blue print on white Club Badge, now's your chance to get one. Please email me and let me know. We've had quite a few new members over the last couple of years, so you will all be on the order list.

KAY & TONY'S TRIP TO THE UK

Tony and I had a most enjoyable trip to the UK doing a Trafalgar Coach Trip over 16 days, travelling from London through Stratford and north through Leeds to Edinburgh. A couple of nights in Edinburgh to see the city sights and then visit St Andrews before taking the high road to the Scottish Highlands. Snow on the peaks and beautiful scenery in every direction. We visited castles, watched sheep dog displays, cruised the Locks and travelled on old steam trains before returning to Glasgow and then going west through Wales.

Onto the Ferry for our trip across the Irish Sea to Dublin where we had two days enjoying Irish hospitality and funny tales. We visited a 7th Century Monastery at Glendalough which was very interesting. Heading North West to Sligo we got to see how very green and picturesque Ireland really is – definitely 40 shades of green!!

It was there in the NW where we hired a car for a day, so that we could take ourselves to the tiny village of Pettigo to see where my grandfather came from back in the 1880s. Such a tiny little town on the border with Northern Ireland, but very colourful just the same. We enjoyed a bowl of home-made country vegetable soup before exploring – looking for anyone with the name of Johnston (my maiden name). Didn't take long when we found a motor workshop with the name Mervyn Johnston on the wall, so we marched in and made ourselves known. Mervyn probably wasn't a cousin but it didn't matter – he had a BMC workshop and was working on racing Minis!! He also had a Mini Ute (he called it a pickup) which he uses for delivering oil to his customers.

The rest of the trip around the coast of Ireland from NW in Donegal, south through Galway, Cliffs of Moher, Limerick, Tralee, Dingle and Waterford was some of the most beautiful countryside we've ever seen. The people were all so happy and very welcoming. Our ferry trip back across to Wales brought us to the port of Fishguard and this was one of the few days where we experienced rain – the weather had been mainly beautiful with clear skies. The last night of our Trafalgar Tour was in Cardiff where we were joined by friends and P76 Car Club Members, Jane and Alan Firth, who drove from their home in SW England to the Welsh Capital to be with us for dinner and overnight. We enjoyed a wonderful dinner at the Millennium Centre in Cardiff and we were entertained by Welsh singers and musicians.

It was great to catch up with the Firths we hadn't seen them since the 2015 P76 Nationals in South Australia!!

A fuel leak delayed our homeward flight for 24 hours – everyone was buckled up and ready to leave Heathrow at 9.35pm on the Friday night when the Captain advised there were some “technical issues” which turned out to be a fuel leak. After sitting in our seats for 2 hours we were told they couldn't fix the fuel leak, we would be put up overnight at nearby hotels and our flight details would be available at the Hotel Reception next day. We were sent to the Heathrow Hilton where the planes skimmed over the roof on their way in to land at the busiest Airport you will see anywhere in the World!! Rooms were perfectly soundproofed though – only aware of the planes when we looked out the window!

Glenn's Barn find

I was lucky enough to find these two gems, both parked in a barn in 1993.

Car one is a Deluxe V8 three on the tree manual. It was ordered prior to the release but not delivered till 23 September 1973. It has the fuse box on the drivers side and came from the dealer with Brown paint on the sills (I can only presume this was because it was sold in an area with a lot of dirt roads) The car is a one owner with all its paper work. I purchased the car exactly 42 years to the day that it was first sold. Other extras added by the owner is a bird catcher on the grill and windscreen, assortment of spot lights and a solid set of roof racks made from gas pipe and a CB Radio. Surprisingly the car is virtually rust free with only two minor spots. The interior is also in good condition. Once back home the car was up and running after some new fluids and plugs and of course some start you bastard, could not believe how smooth the motor is after all those years.

Car Two Deluxe V8 three on the tree manual . Missing the motor, surprisingly again a rust free body, with minor damage to front guard and door.

MINUTES OF GENERAL MEETING Continued

HELD ON TUESDAY 7th JUNE 2016 AT 8.10 PM AT SYDNEY MOTOR-SPORT PARK

GENERAL BUSINESS:

The PO Box Redirection is now expiring and it was agreed not to extend redirection. Tickets for Shannon's Sydney Classic are now available – cost \$20.00 each. The Come Ride With Us Promotion run by the CMC last year will be happening again – Application Forms have been forwarded to Members.

It was decided to order 12 tickets for All British Day at the Kings School on Sunday 28/8/16. Tickets are \$10.00 ea.

Trailer Registration needs to be sorted – one trailer is overweight by 27kgs and needs to have a Pink Certificate – was due for registration on 8th May. The other trailer is due for registration on 8th June – will be paid tomorrow at Castle Hill.

Shannon's Sponsorship needs to be followed up – Kay to do this.

It was decided to place another order for Club Shirts as there are only large sizes in our Merchandise stock and we have had several new members since the last order was made.

The Club also needs to place an order for Membership Badges for those members who don't have one.

Kay to arrange for quotes on each of these and a notice to be placed in the next Newsletter asking Members to advise if they require a shirt or club badge.

Teardrop Flags were discussed as it was felt they would be a good addition to the Gazebo on events such as Shannon's Classic and All British Day. Kay to approach Peter Molesworth of DJs Trophies for examples of flags – approx. 2 or 3.

Membership Renewals will be due on 30th June and the next Magazine to include the Renewal Form and a reminder as well.

Stuart Brown has volunteered to possibly act as Editor for the Club Magazine. We need to re-look at the Magazine format and frequency. Steve Maher was also asked if he would consider taking on the role of Editor once again.

Steve Maher reported that the P76 entry in the Peking to Paris Rally has arrived in China. Both Gerry and Matt will hopefully enjoy some of the sights. The Rally will commence on 12th June and Steve will monitor the event.

Next Meeting:

Next General Meeting – 5th July 2016; AGM 2nd August 2016

THIS YEAR AT SHANNON'S SYDNEY CLASSIC

It's almost that time of year again and the Club has purchased tickets (\$20 each) for this year's event at Sydney Motorsport Park on **Sunday 14th August 2016**.

If you would like to purchase a ticket, please let me know and either deposit your \$20.00 directly into the Club's Bank Account – CBA A/c No.1017 1082 - BSB 062 336 **OR**
Post your cheque, payable to Leyland P76 Owners Club NSW, to PO Box 2769, Carlingford NSW 2118.

We would also like to hear from you if you are interested in participating in the promotion "**COME RIDE WITH US**" which the CMC ran last year, giving lucky patrons rides around the track as a prize in the Radio Promotions run by the CMC. If you are lucky enough to have your car chosen to be part of Come Ride With Us, the CMC will be presenting lots of goodies for your efforts.

The Club is encouraging those Members with "original" P76s to consider taking part in the **CMC CON-COURS**. So if you think you'd be a chance, please don't hesitate to contact me and we can forward the appropriate Forms.

Something new this year will be a **PEOPLE'S CHOICE TROPHY**, to be presented to the most popular car chosen in each of the Areas – A, B, C, D and E. In each "goody bag" handed out this year, there will be a pack of 5 coloured cards which Members can fill in, selecting their favourite vehicle in each of the five Areas at Sydney Motorsport Park. Peter Molesworth from DJs Trophies is sponsoring the promotion – so we look forward to seeing Peter at the Sydney Motorsport Park to present the Trophies on the day.
