## President's Report—Paul Patten

Welcome to The Leyland Post Number 103, it's been a little while since our last magazine but we were a little busy with preparations for the P76 National Meeting and 50th Anniversary celebrations. This edition is a bit of a photo fest but how else can we look back on what proved to be a fabulous event over the Easter weekend.

Thanks again to the organising committee, I know that I and all the members of the committee were delighted with the success of the event and the positive feedback we have had since. All of the activities we scheduled over the weekend went off very well and we'll have some individual reports later in this publication.

One of the more pleasing observations throughout preparations for the event and during the proceedings, was the number of people willing to offer their time and assistance for those who needed it — club spirit remains alive and well.

We need to thank our guest speakers Barry Anderson and Matt Bryson who were thoroughly engaging at the presentation dinner, and a huge thank you to Will Hagon for being our Master of Ceremonies on the night. Another thank you to Will and to Greg Kean who gave up their Easter Sunday morning to be our judges for the Show and Shine/Concours, I know it was a lot to ask but they did a great job.

Unfortunately, on our return from Parkes there was some very sad news regarding the passing of Roger Foy who many of us knew. Unfortunately we have lost another of those talented and clever individuals that were such a big part of making the P76 a very special vehicle. Our thoughts and condolences go out to Graham and his family.

Finally, I have to take the opportunity to remind everyone that we still need someone who can help by taking over the role of Minute and Membership Secretary. This is not a big role but some help would be greatly appreciated. Our AGM is only a short time away, so if you think you can help, even in a small way let me know.

On behalf of the committee I would like to wish everyone the very best, please stay and travel safe. Paul Patten

**General Meetings - the Second Tuesday of the Month**  
**The Hills Club 6 - 8 Jenner Street, Baulkham Hills**

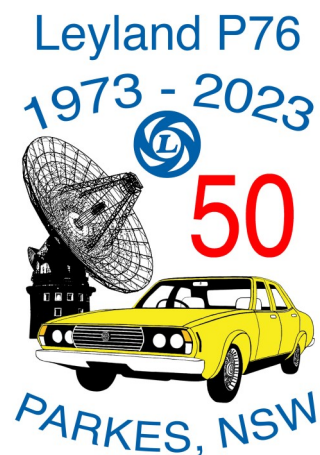

**Next General Meeting**  
**Tuesday June 13 at 7.30 pm**

The club has a reasonable selection of meals, if you would like to eat just arrive a little earlier.

Would love to see you there, but for those living outside of the Sydney area, the meetings are available via Zoom.

## Thursday April 7 Registration and Welcome

Thursday, for most, was about getting to Parkes and for many this involved a huge effort and lots of miles behind the wheel. To all of our guests, THANK YOU for making the weekend such a great success.

Registration was, as expected, a busy time but thanks to the preparation and efforts from the organising committee, everything went well with minimal delays.

Following registration it was time to get the group together for our first social event.

The Thursday night BBQ was a great way to start the weekend, with everyone able to catch up with old friends and new, and tell lots of tales about P76's.

A big Thank You to the Parkes Rotary Club who helped us with the BBQ on Thursday night.

## Friday April 8 - The Dish

We were fortunate to have a total of  $76 + 1 = 77$  P76's in attendance for the weekend, a fantastic role up, but getting everyone ready for the first event on Friday - a cruise out to 'The Dish' proved to be an event in itself.

## Friday April 8 - Henry Parkes Centre

Parking was at a premium at the Henry Parkes Centre but once we got settled, we were able to enjoy the vintage car display and a lovely lunch prepared for us by the Central West Car Club.

## Friday April 8 - HARS Aviation Museum

## Saturday April 9 - Observation Run

It was a little damp and cool on Saturday morning for the start of the observation run which wound its way to Bergerabong and then onto the Forbes Golf and Sportsman's Hotel for lunch.

## Saturday April 9 - McFeeters Motor Museum

Without exception, everyone who attended the McFeeters Motor Museum, thoroughly enjoyed the eclectic collection of vehicles and motoring memorabilia on display.

The mannequins on display were still in their Summer costumes but about to be changed into their Winter gear in the next few weeks. It was interesting to note the number of shopping bags full of models being carried out as people headed home.

## Saturday April 9 - Rocker Cover Races

The Rocker Cover Races was the one event on the weekends' calendar that we felt a bit of trepidation about. We did have a shiny new track to work with though, but until we had finalised the registration process, we had no idea how many entries to expect, which made it difficult to organise and plan the event in any detail.

As luck would have it, we found a secret weapon in the shape of Neil Byers. Neil who has considerable motor racing experience, decided he would act as Scrutineer, Race Controller, Referee & Commentator. Neil was ably assisted by Paul Leabeater on starting duties.

Above left: Our two winners Jnr (Kayla Gibson) & Snr (Marty Stockwell), and above right runners up Jnr (Joshua Gibson) & Snr Peter Velthuis.

## Sunday April 10 - Show & Shine / Concours

Easter Sunday turned out to be a perfect day for our Show & Shine / Concours event, complete with blue skies and mild temperatures.

The judging turned out to be a mammoth task and we have to give a big thank you to our two judges Will Hagon and Greg Kean who persevered and did a brilliant job.

Our selection of site was, to a large extent, was governed by what the local Council were happy with and would allow. When they suggested a site on the edge on the township it sounded ideal, with people being able to explore the shops and get some coffee or lunch as required. Unfortunately, this didn't go quite to plan, because it seemed that just about all the shop owners in Parkes take Easter off.

**Sunday April 10 - Presentation Dinner**

The Sunday night Dinner at the Parkes Services Club was a great finale to the weekend. Dress code was described as either Black Tie or 70's attire and we certainly had a good mixture of both styles.

*It was pleasing that the 50<sup>th</sup> Anniversary weekend went off so well, however we have had a few enquiries from various organisations looking for further detail...*

### **Parkes Paparazzi, Guess Who, Don't Sue!!!!**

There is some photographic evidence of the following but unfortunately a technical glitch prevented them being published, however the incriminating negatives are available for sale, contact the Editor.

### **Who was/were,**

The copyright police are looking for a young chap, who on Thursday night, after a few "sherberts", wore his tie as a head band and was doing a poor rendition of Willi Nelson's "on the road again"!

There have also been questions asked about....

- the participants that ate so much the Lions had to go and get more sausages!
- the member who was intent on practicing his 'touch parking' skills at one event, luckily the car hit was akin to Elvis!
- the pair that missed the very first turn of the observation run!
- the talkative member who spent half an hour at Mcfirters before realising the well-dressed couple he was earbashing were manikins!
- the guy who had a mate stage a medical event stoppage during the Rocker Racing to give him time to fix his entry!
- the Junior Rocker entrants that were on the cusp of Seniors, be warned, Birth Certificates will be required next time!
- The person who conducted a power steering rectification in the Bushman's carpark

At the Presentation Night it was amazing to see people only recognisable by their name tags, what you can do with a good bit of spit and polish, not to mention Kitten No 2 cutting compound! Our ladies all scrubbed up well with a bit of war paint and stink pretty!

## Who was/were,

also noted and seeking further detail....

- a group of Hippies out on the veranda, so short of money they had to share one smoke!
- the table that kept losing their table centre piece!
- a lady that had half the Crown Jewels on her ears and wrist!
- the person who took all the goldfish out of the table centre decorations! There was a report they had a fish BBQ breakfast the next morning!!
- the normally prim and proper lady that took off with a drugged-up hippy!
- the guy that turned Matt Bryson's talk into an infomercial!
- the lady that, after all the hard work, let her hair down with a few vinos and had to be carried to her car, giggling like a teenager!
- The person whose shorts needed to be checked for over-exposure
- The normally ace Rocker Racer beaten by the rabbit, who's the bunny now!
- The lady that doesn't need a microphone!
- The ravenous pigs that ate all the cake before I could get a piece!
- The excessive number of Paul's at the event, please follow the Bananas in Pyjamas and take on numeric names, P1, P2 etc!

A huge effort from our New Zealand friends

Well deserved recognition
