Bay to Birdwood

PRESIDENTS RAMBLINGS

Well here we are again and Bathurst 1000 has been run and won. Good race this year with the weather keeping them guessing, particularly on the Saturday. Congratulations to the winners and the rest have to wait another 12 months to strut their stuff.

We have returned from our quick trip to Cairns with the quick look through central Queensland being a bit of an eye opener. Very dry out there, no rain at Hughenden for 3 years even though it looked like it should, overcast but nothing in it, we were having happy hour drinks with neighbours at a free camp at Babinda and they notice the P76 wet suit on Di's wine glass, as usual they knew someone who had a Leyland. We knew they were from the west then they narrowed it down to the wheat belt and we said to them " yeah that would be John Metcalfe". They were surprised and then we told them he had died it was even more of a shock. They had been on the road for 6 months and had not heard of his passing. The conversation took another turn then and we realized what a small world we live in and how our P76 "family" is spread so far and wide.

We returned home to find we had a big job ahead of us as my mum had to move into a home to help her with her aging life and we had to empty her house in preparation for its sale. This can be a sad time as all these memories for my mum had to be processed and put in boxes for disposal or moving on to another home somewhere. A lot of stuff went to Goodwill stores for rehoming but quite bit of it although appearing to be of value had to go to the dump which is an expensive exercise these days. Dad had built shelving and cupboards in the garage which all had to be dismantled and disposed of, shadehouse was rusting away and had to be cut off at ground level and dumped as well as a pergola across the back of the carport which was rotten. Plenty of work in a short time but now it is on the market and hopefully things will settle down soon.

We participated in the Bay to Birdwood Classic this year with Chris in her car and had a really good time. We saw a couple of other P76s there, Chris Martin's and one from Victoria but we couldn't find the owners. There was a great turnout of about 1700 cars and the weather was perfect. Following discussion at our club meeting last week we made a decision to have a better turn out of club cars at the next one in 2 years. More on it closer to the event.

More next time.....Nigel
