PRESIDENT'S RAMBINGS

We had an interesting June club meeting when after some discussion we realized that we wouldn't have a quorum for the next couple of month's meetings and indeed the AGM which should be held in August. It's just the way the dynamics of the club members are currently with many of us now retired and enjoying the travelling lifestyle particularly in the winter months. With so few members now and not much social activity at this time of the year we decided to shut down for winter so to speak. There will be no meeting for July and August and the AGM is shuffled back to November when we should have a quorum to set up the new committee for the following year. The next General Meeting will be on September 6th at the Hall on East Terrace Kensington Gardens.

Di and I venture off northwards this week or next (we are waiting for passports). We are heading for Birdsville then up to the Gulf via Lawn Hill and wander around Queensland for a while. Son Shane is finally tying the knot and has decided on Bali as a venue so we will hop over there in late September, leaving from Darwin to join the festivities. Hence why we are waiting for passports, we realized our old ones expired less than 6 months after September so there was a mad scramble to get them sorted. Organizing bill paying while we are away has taken a bit of time for us not so tech savvy folk but I think we have it sussed now.

Tidying up a few things on the van like solar panels and satellite TV reception for remote areas, bike rack that is easy to use worked out OK. I couldn't work out how to protect them from the weather initially but found some all weather bike covers on EBay ex Hongkong for \$30 that should fit the bill. Had a couple of minor leaks on the roof vent when it really buckets down so spent some time on the van roof with the silastic gun and seems to have cured the problem.

Not much activity on the Sherman upgrade. I have played around with a retro looking air cleaner on the Nikki 4 barrel carby which I don't know if I have enough clearance till I install the bonnet. When I get back from holidays.....

That's about it for now, stay warm and dry

Cheers Nigel

WHAT SPEEDO IS THAT?

Following a recent enquiry from a club member to replace is speedo as the trip meter part of it was not working. I remembered having gone through this exercise years ago of trying to identify the different combinations.

The drive from the gearbox is the same (17 teeth) in both the 6 cylinder and the V8 so do we need different speedos to suit the 6 or 8 and do we want KPH or MPH with or without a trip meter.

I believe these part numbers are correct

				or
V8	Tripmeter	KPH	AYD9090	AYD9087
V8	Tripmeter	MPH	AYD9088	
V8	Non-trip	V8	AYD9085	
V8	Non-trip	MPH	AYD9086	
6 cyl	Tripmeter	KPH	AYD9313	
6 cyl	Tripmeter	MPH	AYD9251	
6 cyl	Non-trip	KPH	AYD9311	
6 cyl	Non-trip	MPH	AYD9250	

Cheers Nigel
