

Anything but average

What you get ...

Level 3, or Super model, has twin headlights. Bonnet is wide and flat but slopes down to forward edge for exceptional visibility. Wipers cover vast area of windscreen and are hidden under bonnet when not in use.

P76 in wooden mock-up form in Micholetti styling studio.

Tail of P76 is controversial styling feature. Fussy lines on boot lid and strange shape of tail lights are unfortunate. Note extractor vents on C-pillar.
