## Thank You

I would just like to say a massive thank you to everyone for the support during the transition into the role of Secretary and Editor of our club. Your patience with teething issues, countless emails, some tech difficulties but mostly thank you for the wonderful contributions that have come my way for our magazine.

I am looking forward to seeing what the next 6 months bring us a club and what you can all rustle up for the magazine.

Wishing you all a very Merry Christmas and Happy New Year

## Get your Concessional Car out for Christmas

Our Christmas catch up has been and gone, and I'd like to thank everyone who attended for making the drive down, up or across from where ever you may have ventured from. I'd like to take this opportunity to thank Mick for offering up the bowls club once again and for also manning the BBQ for the day.

It was a great day for a BBQ and while we didn't get around to playing bowls at all, we definitely enjoyed the chats and reminiscing of time gone by. We hope that all that attended enjoyed themselves and we wish everyone a very Merry Christmas and Happy New Year!

## Big Rigz Burger Run

It's BURGER time!!

Well it was and they were yummy!! Great night for a cruise, the weather was nice and perfect for a stroll up to Big Rigz.

They have moved locations and revamped since we were there last, we managed to catch them in a 'quiet' moment because they were definitely busy when we left!

Thanks to those who joined us for the burgers and cruise into Freo, looking forward to the next one.
